

Adapating to Climate Change in Coastal Dar es Salaam

Edited by Silvia Macchi and Gabriel R. Kassenga

Table of Contents

SECTION 1. EXPLORING LOCAL ADAPTIVE CAPACITY AND DESIRED FUTURE

1. **Investigating the Livelihoods of the Population Dependent on Natural Resources and Their Concerns Regarding Climate Change**

Liana Ricci, Pietro Demurtas, Silvia Macchi, Loredana Cerbara

Including an Excel Database from the household questionnaire, available to download

2. **Institutional Activities Related to Climate Change in Dar es Salaam**

Gabriel R. Kassenga, Stephan Mbuligwe

3. **Exploring Local Adaptive Capacity through Participatory Theatre in Coastal Dar es Salaam**

Margherita Loddoni

4. **Participatory Backcasting for Climate Change Adaptation: Supporting Community Reasoning on Access to Water in Dar es Salaam**

Giuseppe Faldi, Silvia Macchi, Olivier Malcor, Mariangela Montemurro

SECTION 2. ASSESSING ENVIRONMENTAL TRENDS UNDER URBAN SPRAWL AND CLIMATE CHANGE

5. **Development of a Methodology for Land Cover Classification in Dar es Salaam Using Landsat and Spot Imagery**

Luca Congedo, Michele Munafò

6. **Development of a Methodology for Land Cover Classification Validation**

Luca Congedo, Michele Munafò

7. **Assessment of Land Cover Change Using Remote Sensing: Objectives, Methods and Results**

Luca Congedo, Michele Munafò

Including 6 Maps with GIS file, available to download

8. **Investigating the Relationship between Land Cover and Vulnerability to Climate Change in Dar es Salaam**

Luca Congedo, Michele Munafò, Silvia Macchi

9. **Monitoring Seawater Intrusion in the Coastal Aquifer of Dar es Salaam**

Lukuba Ngayla Sweya, Jonas G. Balengayabo, Edward F. Ruhinda, Fredrick A. Ligate and Gabriel R. Kassenga

10. **Analysis of the Sensitivity to Seawater Intrusion of Dar es Salaam's Coastal Aquifer with Regard to Climate Change**

Giuseppe Sappa, Maria Teresa Coviello, Giuseppe Faldi, Matteo Rossi, Antonio Trotta, Stefania Vitale
Including an Access Database from the boreholes campaign, available to download

SECTION 3. MAISTREAMING CLIMATE CHANGE ADAPTATION INTO LOCAL PLANNING

11. **Mainstreaming Climate Change Adaptation: Reviewing Concepts and Approaches for the Design of a Mainstreaming Strategy**

Liana Ricci, Silvia Macchi

12. **Capacity Building for Climate Change Adaptation at Local Government Level in Dar es Salaam**

Dionis Rugai, Laura Fantini, Riziki Shemdoe

13. **Mainstreaming Adaptation into Dar es Salaam's Urban Development and Environmental Management Plans: guidelines and two case studies**

Riziki Shemdoe, Gabriel R. Kassenga, Liana Ricci, Carlo Norero, Silvia Macchi, Giuseppe Sappa
